Terms and Conditions

The purpose of a pre-order is to ensure that we can accommodate large bookings with minimal waiting times for ordering and service.

Food will be prepared & plated to meet you pre arranged arrival time. To avoid disappointment it is imperative that you adhere to your specified booking times.

Pre orders will not be accepted unless a booking has been confirmed. It is recommended that large groups book 7 days in advance.

Bookings can be made via email sales@sceptre.com.au but remain tentative until they are confirmed.

Please specify all options with your meal order including:

1. Steak cooking preference
2. Sauces
3. Omissions (eg no tomato with burger etc.)
4. Entree or Main size if offered on menu
5. Any side dishes required

Please ensure all orders are legible & ensure all guests are identified by first and last name.

All orders must be paid for upon arrival unless pre arranged.

Any additional orders with the booking will be treated with priority but must be subject to availability and waiting times at that period.

Changes & Cancellations to pre orders will only be accepted 30 mins prior to arrival, otherwise food will be prepared & payment will be required.

Payment is required on arrival. To avoid delays, lump sums are preferred. We are pleased to offer a complimentary drink to the organiser, should this be

arranged.
